Re: Submission on the Residential Zoned Land Tax

Folio No -

Dear Sir/Madam,

We note land in the ownership of a has been identified on a map as being potentially included for the RZLT.

We hereby put Meath County Council on notice that we will be challenging the inclusion of the lands for the RZLT.

We intend to make a full submission to include the planning history of the land, the zoning history, the lack of provision of services and the lack of suitable infrastructure.

Please confirm that you have received this letter and we will submit a full detailed submission in the coming weeks.

Kind Regards
